研究生复试英语自我介绍

开场白

Good morning. I am very glad to be here for this interview.

2. 姓名，英文名，毕业院校，毕业专业，毕业学院

First let me introduce myself. My name is LiShuai, and my English name is Jacky Lee. I've finished my undergraduate education in Xidian University, Majoring in Electronic Science and Technology in the college of Technical Physics.

3. 性格，爱好，实践经验

I am open-minded, willing and have broad interests like basketball, reading and especially in engineering such as software programming, website design, hardware design. For example, during the past four years, I have accomplished two websites: one is the website of our school, and the other is the website of the doctor forum of china 2007. Furthermore, I am interested in C plus plus programming language and have written some application programs. In July in the last year, I finished my graduate project with flying colors, which was a software application about Image Process . In addition, I have also finished some projects about embedded system by using MCU when I was a junior.

4. 为什么想读研, 将来愿意从事的方向, 读研时的打算

Although I have broad interests in many aspects and grasp the essential knowledge of the major, but I think at present, I can do many things in a superficial level, but not be competent to do things professionally owing to lack of ample knowledge and ability. So I think further study is still urgent for me to realize self-value.

The major that I hope pursue for my further education is IC design. Because I find integrated circuits are playing a more and more important role in our modern society. And nowadays in China, with the recognition by the government, our domestic integrated circuits industry is growing rapidly and that may provide a lot of chances to us.

I plan to concentrate on study and research in this field in my graduate time. And I hope I can form a systematic view of micro electronics and IC design technology and make a solid foundation for future profession after three years study here.

5. 结束语

OK, that' s all. Thank you very much.

考研复试英语自我介绍范文2:

Good morning/afternoon, my dear teachers (my dear professors). I am very glad to be here for your interview. My name is _____. I am _____ years old. I come from _____, a very beautiful city. My undergraduate period will be accomplished in _____ university in July, 2009. And now, I am trying my best for obtaining a key to _____ University.

Generally speaking, I am a hard-working student. I will try my best to finish it no matter how difficult it is. When I was sophomore, I found web design very interesting, so I learned it very hard. To weave a homepage for myself, I stayed with my personal computer for half a month, and I am the first one in my class who own his homepage. Furthermore, I am a person with great perseverance. During the days preparing for the first examination, I insist on running every day, no matter what the weather was like. And just owing to this, I could concentrate on my study and succeeded in the end.

Well, in my spare time, I like basketball, tennis and Chinese chess. Also, English is my favorite. I often go to English corner to practice my oral English on every Thursday, and write compositions to improve my written ability. But I know my English is not good enough, I will continue studying.

Ok, that's all, thank you for your attention.

考研复试英语自我介绍范文3:

Good morning, everyone! I am glad to be here for this interview. First, let me introduce myself to you. My name is Qin Jiayin. I was born on April 23, 1981. I am a local person. I am graduating from Jilin Normal University this June. I major in Chinese literature. I hope I could get the opportunity to finish my postgraduate courses in Jilin University which I have desired for a long time. I have the confidence because I have such ability! I am a girl who is fervent, outgoing and creative. At the same time, I think I am quick in mind and careful in everything. I am looking forward to my postgraduate studies and life. I will soon prove that your decision of choosing me is the wisest. Thank you for giving me such a valuable opportunity!

Reasons for taking postgraduate exams:

First of all, I love my major. Chinese literature is the symbol of the start of Chinese literary modernization. It plays an important part in modernization of our citizens' thoughts. What's more, modern literature is very close to our daily life and it can deeply reflect the styles and features of our society. I am fascinated by the great masters' refreshing or warm or profound styles as well. But I am not easily satisfied with such superficial knowledge. I hope I could have a better understanding in modern literature by studying further. This is a very important reason for me to take the postgraduate exams.

Next, I love the feeling in the university. It is full of youthful spirit. And I am deeply attracted by the scholarly atmosphere. And the most important, it's my great honor to open my ears to your teaching.

Finally, I want to talk about a very practical problem. That is my dream of becoming a teacher in the university. I want to realize my dream and make myself to be a well-qualified person. I think the postgraduate studies can enrich my knowledge and make me competent in my future job.

That's my simple and clear reasons why I took the postgraduate exams.

My university:

I'm graduating from Jilin Normal University this June which has a history of 50 years. It shares many same characteristics with Jilin University. Both of them have a refreshing and scholarly atmosphere. Four years' studying there made me an independent, optimistic and strict girl. I appreciate the education my university gave me.

Thank you for your time!

考研复试英语自我介绍范文4:

Good morning, teachers, I am honored to be informed to have this interview.

Introduce yourself

First let me introduce myself, my name is XX, 23 years old, and David is my English name.

I am open-minded, easy to adapt, compatible with my friends, and willing to help others.

Introduce your college

I studied in XX University. Although it is not well known, I still appreciate it, because it offers me a chance to develop my abilities. During my college years, I have made rapid and great progress in many areas, as a student, I work very hard, and obtain scholarship many times, as a monitor, I work earnestly, also gain good comments from teachers and classmates, working as a member of Student Union, I strive to finish any assignment perfectly. In a word, I learned a lot in my college life.

Introduce your family

In my family, there are three members, my father, my mother, and I. My parents are workers, my father works very hard, and he is always fully occupied, so most of the housework is done by my mother, of course, while I am at home, I would help her. I love my parents and they love me, too. When I make a success, they are more excited than me, and support me to do better. Even though I failed, instead of blaming, they always share sorrow with me, and encourage me not to give up. During my preparation for graduate examination, the support from my family is always my momentum. Parents' love is unselfish, I am deeply affected, so I will do all what I can to repay them.

Introduce your hometown

My hometown is XX, a young city in XX Province. It is famous for its XX and XX. There are great scenes here, XX, XX, XX, and so on. Each year, many people come here for tour and investment. So I believe that, with the joint efforts of every person, a better future of XX is coming (round the corner).

Introduce your reason for preparing the postgraduate exam

During the past four years, I have learned a lot of professional knowledge and practical skills, but gradually, I realize it is not enough. In my opinion, further study is actually urgent for me to realize and finally achieve self-value. Life is precious, it is necessary to catch any opportunity for self-development, especially in the competitive modern society. Therefore, I prefer to go on for further education.

Why do you choose to study in our department?

I am deeply impressed by the academic atmosphere when connecting to the web site of your department. In addition, I am attracted by the process of XX, and want to do something for XX. As the proverb says 'process is the activity of today and the assurance of tomorrow.' If I got a chance to study here, I would like to continue to accept professional training, in order to get ready for working in the future. I hope I can achieve my goal soon.

About your future plans:

What do you expect to achieve during your study if you are enrolled into this institute? There must be many things to learn if I were enrolled into my ideal research field. I hope I can build up a systematic view of XX, especially in the fields of XX. Sincerely, my wish is to get a complete comprehension of XX. On the other hand, I am dreaming of the participation of some relevant projects of my major, for this reason, I will get more experience in practice. And what's more, I expect to continue my study for doctorate degree, if it is possible. In a word, I am looking forward to making up a solid foundation for future profession which is based on three years of study here.

Do you have any hobbies?

In my spare time, I like reading books, collecting cards and coins, playing volleyball, communicating with friends, and so on.

I also like English very much, I am fond of watching English films and listening to English songs, I passed College English Test Band six in September, 2003, I do believe there is still a long way for me to learn English well enough, however I will not shrink back, Because I realize that English is a bridge connected our country with the outside world. Learning English is the

most direct and available method for intercourse among countries and also useful for us to get advanced knowledge and technology from other nations.

考研复试英语自我介绍范文5:

Good morning:

My name is XX, you can also call me Eason, I has such an english name just because the pronunciation of it is like my chinese name. I graduated from this university last year, and major in computer science, I liked computer very much, especially in multimedia technology, and wanted to make some achievement in this field, but when I finished my school, I realized that what I had learned was not enough for this target, I thought it would be great if I can continue my interest in that, so that was why I choose to further my study with a master degree.

Well, in my spare time, I like soccer, pop music, and stamp, being a soccer fan, I always show my love to Manchester United and Ryan Giggs is my favorite. I also like English very much, and had passed Band six this year, but I do think it 's still a long way to study it, so I wouldn' t give up my English studying, and improve my oral and listening ability.

So that 's all, thank you.
