

# THE 2010-11 COMMON APPLICATION <sup>TM</sup>

## College Deadlines, Fees, and Requirements

**Please review each institution's website for comprehensive instructions and information.**

### NOTES:

- All colleges are coeducational unless marked (W) or (M) or (C). C indicates two "coordinate" single-sex colleges geographically adjacent to each other that share an admission process, courses, faculty, etc.
- Some colleges charge different fees for students from the U.S. and international applicants. The fees shown here apply to applications submitted online. Some colleges charge different fees for applications submitted by mail. Please consult the institution's website for more specific instructions.

- Supplements Key: (School) Institution-specific supplement forms; (Arts) Common App Arts Supplement; (Athletic) Common App Athletic Supplement. [Please note that the Arts and Athletic supplements are accepted from all applicable students.] Consult institution-specific instructions regarding supplement deadlines, which may differ from the application deadlines.
- Standardized Tests Key: (SAT/ACT) Tests required/used by the institution; (Test Options) F: Fully test-optional, S: Sometimes test-optional; (Int'l) If you are an international student and English is not your first or primary language, institutions with the "T/I/M" code require that you take the TOEFL, IELTS, or MELAB exam. "See Website" indicates that this institution's testing requirements are too complex to be described in the space below.

- School Forms Key: (TE) Teacher Evaluation, (IS) International Supplement, (HS) Home School Supplement, (ED) Early Decision Agreement. [For those counselors submitting the school forms online, please note that all institutions now require the School Report, Midyear Report, and Final Report forms. For those counselors submitting in the paper format, please consult each institution's website for school form requirements.] These forms can be downloaded at [www.commonapp.org](http://www.commonapp.org) (select download Forms). Colleges that save recommendations post-matriculation are indicated by a check mark in the last column.

**Transfer Applicants:** The information on this grid is for first-year applicants only. To see which institutions accept the Common Application for Transfers, and what their specific requirements are, please consult [www.commonapp.org](http://www.commonapp.org).
